2007-2008

## MESSAGE FROM YOUR CAPTAIN

Thank you for a great 2006-2007. In Fall 2006, we had our first ever dessert auction. Our association raised \$100 for the Delta Gamma Foundation! In March 2007, we welcomed Delta Gamma PRO speaker Tina Barnett, Delta Phi, UC Irvine, to celebrate our Founders Day and discuss the "bigger picture" of Delta Gamma.

I look forward to the upcoming year. My goals for 2007-2008 are:

- Increase membership to 20 paid members
- Fundraise for a local service for sight organization
- Increase notification of events to members for increased attendance

Please help me make these goals a reality. If it's been a while since you paid your Delta Gamma dues, please pay. For those that pay regularly—THANK YOU for your support. The dues go towards our local association administrative costs, national fees, website administration, and social and philanthropic matters.

I look forward to seeing more of you this upcoming year!

In the bonds,

Renoda Campbell-Monza, President of the Central Coast Alumnae Association

## DUES 'R DUE

Alumnae annual dues are active from July 1, 2007—June 30, 2008. The cost of local association and national dues is \$40.00. Executive office (EO) fees go towards the operating expenses of our national fraternity, while our local association fees go towards local expenses for social, philanthropic and administrative costs. All contributions are appreciated and will serve to “Do Good” for our association. We know that you have many obligations, but hopefully you will agree that we are a great deal at less than \$3.50 per month to support your local association and fulfill your pledge to a lifetime of Delta Gamma. 50-Year members (initiated in Spring 1957 and earlier) **do not** pay the \$19.00 national dues, only association dues of \$21.00. Please mail in your dues form and check today.

### MEMBER SPOTLIGHT—SHELLEY MC CONNELL

In 1980, when I was entering college, my parents gave me a choice...live with your grandmother, or join a sorority. I didn't exactly know what a sorority was, but I was certain that was the path for me, because I most definitely would NOT be living with grandma!!

That was one of the biggest favors my parents could have done, directing me to Greek life. I fell in love with Delta Gamma the first night of rush, and lived in the house until graduation. Some of my closest friends are DG's, and I do quite a lot of business with one of my former housemates (yes, the old GIRL network works too!).

I attended Founders Day regularly in my 20's, but let my DG bonds slip away in my 30's. One of my friends from the house, who always scheduled a girls weekend in Vegas every year, was diagnosed with ovarian cancer. That was a wakeup call, my friends could really slip away from me. I couldn't help but think how wonderful our time together was. So I'm back in the fold, serving as Central Coast Alumni treasurer.

Please join us at our next meeting, they really are a lot of fun, and it's a pleasure meeting our sisters, and sharing our experiences. See you there!

Shelley McConnell, Gamma Lambda, Fresno State University

The Fraternity believes in being informed about Delta Gamma happenings within one's region, as well as recognizing those chapters and individuals who have lived by the Fraternity motto, "Do Good," throughout the biennium. Convention attendees make new friends or rekindle bonds from the past while being entertained in fabulous locales. Each Convention has its own unique theme and flavor, but every Convention celebrates the very best of Delta Gamma." (www.deltagamma.org)
