CENTRAL COAST OF CA  
DELTA GAMMA ALUMNAE ASSOCIATION

**Greetings Delta Gamma sisters:**

As I think about this upcoming year for the Central Coast of CA Alumnae Association of Delta Gamma, I am optimistic, grateful and full of excitement! Your involvement and membership will help bring these feelings to light!

Although we have only three meetings per year, I am asking for your assistance in making these the three most productive and well attended meetings our association has ever had.

One of my goals for the year is **communication**. I would like for you to consider the Central Coast Delta Gammas to be a connection when you need one. If you are on facebook, join our group: **Delta Gamma-Central Coast of CA Alumnae**. Our website is a valuable resource **www.centralcoastdg.org** for the most up to date information on our association.

Come to the meetings, pay your local dues through the Delta Gamma PayPal account, meet your Central Coast DG neighbors, help us

with our philanthropic and community service work, and let's live the values of Delta Gamma by "Doing Good."

We have great programs scheduled for this year. Take a look at this year's **Calendar of Events** on page 2.

Here's to a great year!

ITB,  
Renoda Campbell-Monza  
President

## Dues 'R' Due

**Dues period: July 1, 2010 - June 30, 2011**

**National Dues:** EVERY Delta Gamma member is required to pay \$22.00 per capita dues directly to Executive Offices until you have attained 50 year member status. This separate request for \$22.00 does not financially benefit our local chapter. Visit [www.deltagamma.org](http://www.deltagamma.org) for additional information.

**Local Dues:** You have the option to choose one of the three levels of local membership:

**Bronze: \$20.00**

**Pink: \$30.00**

**Blue: \$40.00**

We cannot function without your financial assistance. You have 3 ways to pay: bring your check to a meeting, mail it or pay through PayPal (on the website).
